PUBLIC NOTICE

The Groundwater Sustainably Plan for the DEID GSA is set for adoption by the GSA board of directors on January 27, 2020 at 4:00 p.m. The meeting will be held at the Delano-Earlimart Irrigation District office. All landowners, stakeholders and interested parties are welcome to attend this public meeting.

The GSP is currently being revised to include responses to comments that were received on the Plan during the public comment period. The final draft GSP will be posted on the DEID website prior to the meeting. You can access the final draft by going to deid.org/gsa/.

The DEID GSA includes the Delano-Earlimart Irrigation District, the Earlimart Public Utility District, the Richgrove Community Services District and an unincorporated area west of DEID. The GSP covers this area and addresses the groundwater sustainability of GSA in accordance with the state's Sustainable Groundwater Management Act.

Your continued interest in the DEID GSA and participation in the development of our GSP is appreciated. Please call the DEID office with any questions you may have.
